Additional Search and Borrowing Tips

- The Live-brary web site contains books in e-book and audio format. **Audiobooks** will have a headphone (🎧) icon on the book cover. Be careful when making your selection.
- The file size of an **audiobook** is much larger than an ebook, so be sure to be connected to Wi-Fi when downloading an audiobook.
- Copies of books are limited. Books that say “**Waitlist**” on the cover can be put **on hold**. You will receive an email when it becomes available.

Renewing and Returning Books:

- You can renew an eBook within 72 hours of its due date if there are no holds on the book. The renew option will appear in your Live-brary.com account on the checkout page next to the book cover. If the option does not appear, the book is not eligible to be renewed.
- To return a book, go to the **bookshelf** in the Overdrive app. Tap and hold on the **cover of the book** until a pop-up menu appears. Tap **Return To Library**.

*Kindle Fire

- Kindle Fire users have the choice of using the Overdrive app or downloading straight from Amazon (see Kindle instructions). To check out audiobooks the Overdrive app is required.
